Fathering expert Rick Johnson offers men ten practical strategies to become the dads they want to be. He helps dads help their kids find the humor in life, surround their family with healthy friends and role models, communicate clearly with their children, "brand" their families with memorable sayings and traditions, help their kids develop self-esteem and respect for others, be a gatekeeper when it comes to their kids' social circle, and set reachable goals for themselves and their children. Every father can be a great dad. This clear and to-the-point book gives them the tools they need to do it well.
