"About to Be a Dad: Father to be guide to pregnancy" is your complete guide to understanding pregnancy, labor and raising a toddler. From the moment your wife / partner finds out she's pregnant, the thoughts about fatherhood begin. They range from questions about the process of pregnancy and labor and delivery, and from the anatomical to the emotional. You'll begin thinking a lot about the future, from where the crib will go to baseball games with your son or dance recitals with your daughter. For 9 months up until delivery, to the day you welcome the baby home, you'll have a lot of planning and strategizing to do. The good news is that you don't have to go through this process uneducated. I'll take you through all of the steps from the first day that pregnancy test shows positive to the day your child turns 3. I'll uncover all of the processes and plans involved to having and raising a child and let you in on a few secrets I've learned along the way. There's a lot of baby books out there, but this one is for you - the dad. Dads are integral to the process and more so than most men realize and this book will make sure you know exactly what's going on and when from day one. When you enter fatherhood you need "About to be a Dad". Please download my Free Special Report on "The 7 secrets to Fatherhood - Beat new dad fears" We look forward to seeing you soon, and lookout for new publications coming out for you soon on Fatherhood and Parenting.
